file bankruptcy, your bankruptcy plan must be confirmed before the attorney starts disbursing funds. Your plan has not yet been confirmed so no funds have been disbursed. No objections were filed to your confirmation, so the plan should be confirmed soon. Any creditors that have been involved in bankruptcy are aware of that process. As far as the attorney fees from the mortgage company, most mortgage companies charge fees for anything they have to do relating to bankruptcy, beginning with filing a Proof of Claim. That is not unusual at all.
